

## **Boarding Park Playtime and Day Care Release**

I agree that to my knowledge, my dog is obedient and non-aggressive.

I am aware that my dog(s) will be released into the park, off leash, with other dogs.

I understand that my dog must be up to date on all of their vaccines, which are indicated on my boarding release sheet, but also that my dog is on a flea prevention and parasite free. If my dog is flea or parasite infested I give permission to treat if necessary.

I agree to indemnify & hold harmless Dr. Gary Beall, Dr. Anne Grumney, The Barking Lot Doggy Daycare, Springboro Veterinary Hospital, Inc., Springboro Veterinary Hospital Inc. Staff and Obedience Trainers from any and all liability of any nature and claims, including any damage my pet may cause to family members or third parties and / or injury, death, sickness or damage of my pet, family members or third parties suffered during or after play group participation.
